

Food Additive

Product Name	Specification	Character	Function
Inulin	Purity 99%	white powder	sugar replacement
Vitamin C	Purity 99%	white or light yellow particle	prevent oxidation
Vitamin B2	Purity 99%	white powder	food and pharmacy
Vitamin B1	Purity 99%	white powder	food and pharmacy
Vitamin B6	Purity 99%	white powder	food and pharmacy
Vitamin B5	Purity 99%	white powder	food and pharmacy
Vitamin B3	Purity 99%	white or yellow crystal powder	food and pharmacy
Folic Acid	Purity 99%	yellow or orange crystal powder	food and pharmacy
Papaya Enzyme	Purity 99%	fine white powder	food and pharmacy
Bromelain	Purity 99%	solid powder	anti-aging
Potassium Benzoate	Purity 99%	white granule crystal powder	preservative
Sodium Erythorbate	Purity 99%	white powder or granule	preservative, antioxidant
Konjac Glucomannan	Purity 99%	white to pale yellow brown white powder	thickening agent
Citric Acid	Purity 99%	white powder	preservative
Phytic Acid	Purity 99%	light yellow powder	antioxidant
Sodium Alginate	Purity 99%	white to yellowish brown particles	food and pharmacy
Magnesium Stearate	Purity 99%	white smooth powder	lubricant

Thickening Auxiliary

Product Name	Specification	Character	Function
---------------------	----------------------	------------------	-----------------

Konjac Glucomannan	Purity 99%	White to pale yellow brown white powder	thickening agent
Sodium Alginate	Purity 99%	white to yellowish brown particles	food and pharmacy
Magnesium Stearate	Purity 99%	white smooth powder	lubricant

Thickening Auxiliary

Product Name	Specification	Character	Function
Potassium Benzoate	Purity 99%	white granule crystal powder	preservative
Sodium Erythorbate	Purity 99%	white powder or granule	preservative, antioxidant
Citric Acid	Purity 99%	white powder	preservative
Phytic Acid	Purity 99%	light yellow powder	antioxidant

Enzyme

Product Name	Specification	Character	Function
Papaya Enzyme	Purity 99%	fine white powder	food and pharmacy
Bromelain	Purity 99%	solid powder	anti-nflamatory

Vitamin Supplement

Product Name	Specification	Character	Function
Vitamin C	Purity 99%	white or light yellow particle	prevent oxidation
Vitamin B2	Purity 99%	white powder	food and pharmacy
Vitamin B1	Purity 99%	white powder	food and pharmacy
Vitamin B6	Purity 99%	white powder	food and pharmacy
Vitamin B5	Purity 99%	white powder	food and pharmacy
Vitamin B3	Purity 99%	white or yellow crystal powder	food and pharmacy
Folic Acid	Purity 99%	yellow or orange crystal powder	food and pharmacy

Pharmaceutical API

Product Name	Specification	Character	Function
Epimedium Extract	Purity 10%-98%	brown yellow powder	pharmacy
Yohimbine HCL	Purity 98%	red brown to white Powder	pharmacy
Puerarin Extract	Purity 10%-99%	white to yellow-brown powder	pharmacy
Shikimic Acid	Purity 98%	white powder	pharmacy
Berberine Herb Extract	Purity 97%	yellow powder	pharmacy
Curcumin Extract	Purity 95%	orange-yellow powder	pharmacy
White Willow Bark	Purity 15%-98%	white powder	pharmacy
Pagodatree Flower Rutin	Purity 95%-99%	yellow to white powder	pharmacy
Trans-resveratrol Extract	Purity 10%-98%	light yellow to white powder	pharmacy
Nitrobenzoic Acid	Purity 97.5%-99%	light yellow crystals	pharmacy
Phenol	Purity 90%,98%	white powder	pharmacy
Diacerein	Purity 98%-99%	white crystal powder	pharmacy
Benzophenone	Purity 95%-99%	white to whitish crystal	pharmacy
Succinic Acid	Purity 99.5%	white crystal	pharmacy
Glucosamine	Purity 99.5%	white powder	pharmacy
Nicotinamide	Purity 98%-99%	white powder	pharmacy

Botanical Extract

Product Name	Specification	Character	Function
Oat Extract	Beta-Glucan 10%--70%	yellow to light brown powder	anti-aging
Rhodiola Extract	Purity 5%	red brown bowder	anti-aging

Tribulus Extract	Purity 20%-90%	brown fine powder	anti-aging
Ginkgo Biloba Extract	Purity 6%,24%	light yellow fine powder	pharmacy
Citrus Aurantium Extract	Purity 6%-30%	light brown to white fine powder	pharmacy
Shiitake Extract	Purity 10%-98%	light brown powder	anti-aging
Cordyceps Sinensis	Polysaccharides 10%-30%	brown yellow fine powder	medical care
Rosemary Extract	Purity 10%-98%	brown fine powder	antioxidant
Ganoderma Extract	Polysaccharides 10%-30%	brown fine powder	medical care
Coriolus Versicolor Extract	Polysaccharides 10%-50%	brown fine powder	medical care
Green Tea Extract	Theanine 5%-35% Polyphenols 10%-98%	brown fine powder	anti-aging, antioxidant
Cocoa Powder	PH 6.2-6.8 , 7.0-8.0	reddish brown powder	resist fatigue
Turmeric Extract	Curcumin 95%,98%	yellow fine powder	antioxidant
Capsaicin Extract	Purity 10%-98%	red powder	preservative
Pomegranate Extract	Ellagic Acid 40%, 50%, 90%, 95% Polyphenols 20%, 30%, 40%	brown fine powder	anti-aging, antioxidant
Grape Seed Extract	98% by HPLC 20%-80% by UV	brown fine powder	antioxidant
Olive Leaf Extract	15%-80% by HPLC 5%-20% by HPLC	brown fine powder	medical care
Loquat Leaf Extract	5%-20% by HPLC	brown fine powder	medical care

Valerian Root Extract	0.4%-0.8% by HPL C	brown fine powder	medical care
Chamomile Extract	1%-5% by HPLC	brown fine powder	antioxidant
Soybean Extract	isoflavones 40% lecithin90%,95%,98% daidzein 98%	brown fine powder	antioxidant
Yam Extract	6%,12%,16%,20%, 98% by HPLC	brown fine powder	medical care
Goji Extract	Polysaccharides 30%,40%,50%	brown fine powder	medical care
Saw Palmetto Extract	Fatty Acid 25%-45% by HPLC	brown fine powder	medical care
Pumkin Seed Extract	Purity 5%,10%,20%	brown fine powder	medical care
Ginseng Extract	Ginsenoside10%-98% by HPLC	brown fine powder	medical care
Cuspidatum Extract	Resveratrol 10%-98% by HPLC Emodin 10%-60% by UV Polydatin 98% by HPLC	brown to white fine powder	pharmacy
Epimedium Extract	Icariin 10%-98% by HPLC	brown yellow powder	medical care
Maca Extract	Purity 10%,20%,25%	brown fine powder	medical care

Fruit And Vegetable Powder

Product Name	Specification	Character	Function
Purple Sweet Potato Color	100% pure,80-100mesh	purple fine powder	antioxidant
Pigment Black Currant	100% pure,80-100mesh	red purple powder	anti-aging, antioxidant
Carotene	100% pure,80-100mesh	deep orange or red fine powder	pharmacy
Curcumin	Colour Value 20-140E	orange-yellow powder	antioxidant

	Mogrosides 7%,30%, 80%		
Luo Han Guo Extract	Mogroside 25%, 40%, 50%	white powder	sugar replacement
	Steviosides 70%-90%		
Stevia Extract	Rebaudioside 40%-99%		food additives
Pomegranate Powder	100% pure,80-100mesh	red fine powder	food additives
Blueberry Juice Powder	100% pure,80-100mesh	purple red fine powder	food additives
Euterpe oleracea	100% pure,80-100mesh	brown fine powder	food additives
Pineapple Powder	100% pure,80-100mesh	light yellow fine powder	food additives
Maqui Berry Powde	100% pure,80-100mesh	red fine powder	food additives
Goji Berry Powder	100% pure,80-100mesh	red fine powder	medical care
Cucumber Powder	100% pure,80-100mesh	light green powder	medical care
Ginger Powder	100% pure,80-100mesh	light yellow fine powder	food additives
Tomato Powder	100% pure,80-100mesh	brown red powder	antioxidant
Garlic Powder	100% pure,80-100mesh	white to light yellow fine powder	medical care
Onion Powder	100% pure,80-100mesh	white fine powder	medical care
Pumpkin Seed Powder	100% pure,80-100mesh	light yellow fine powder	medical care
Alfalfa Powder	100% pure,80-100mesh	light green to green powder	medical care
Black Fungus Powder	100% pure,80-100mesh	light black to black powder	Anti-aging
